There will be no official ball control prior to the competition.

Ball scales will be available in the centre for those teams that want to recheck their balls by themselves.

After the Official Practice the players must register their bowling balls. Maximum of six (6) is allowed for each bowler.

Because of this registration the ball card (Form G) must be filled by all bowlers.

In the masters the semi-finalists balls will be checked prior to the start of the semi-final.

The new rule about the altering the ball surface is in applicable since January 1, 2008:

4.10.2 Altering the surface of the bowling ball is allowed in a designated area during the official practice session, during the practice session immediately preceding a competition round, and between competition rounds.

A player may not alter the surface of the bowling ball during a game.

3. Hotel procedure

All players taking part to the Championships are considered minors.

The mini bars in the hotel rooms are empty and the pay-TV is turned off. If the Team Manager wishes, they can be returned. Because of this the Team Managers are asked to show their credit card in the check in.
